CORAM : D.G. KARNIK, J

DATED : 6th June 2005.

P.C.

1. Learned counsel for the petitioner states that petitioner has died on 6th September, 2003 and the heirs have not instructed him to be brought on record. He further states that in any event the writ petition has become infructuous in view of the fact that property has already been transferred under a will. In view of the fact that the heirs have not shown any interest to prosecute the petition by bringing themselves on record, petition is disposed of.
